WORK EXPERIENCE

Fifth Street Cross

Emmaus, Pennsylvania

Registration and Merchandise Coordinator

September 2025- Current

- Completed weekly set up and tear-down of the registration and merchandise booths.
- Ran transactions for weekly race registration, season pass registration, and merchandise sales.
- Kept inventory for race numbers, merchandise, and weekly perishables, such as beverages.
- Coordinated between the lead coordinator and other weekly volunteers.

Dorset Theatre Festival

Dorset, Vermont

Production Swing

May 2026- September 2026

- Assisted production teams throughout the build and installation process. Primary departments were carpentry, electrics, and props.
- Acted as deck crew for "The Understudy" handling the manual movement of 2 large wagon units as well as supervising actor's movements on ladders and moving platforms.
- Assistant to the Associate Producer. Handled tasks pertaining to company purchases, company calendar, and inter-department work flow.

Carpenter

May 2025- September 2025

- Built and installed scenic elements to the specifications of designers and technical directors.
- Experience in trouble shooting scenic shifts from the perspective of crew or stage management.

Assistant Stage Manager

May 2024- August 2024

- Created show specific paperwork imperative to tracking costumes, props, and actors. Assisted in generating daily reports and schedules which were distributed cross departmentally.
- Performed a daily walkthrough of onstage and backstage spaces to ensure actor and stage crew safety.
- Conducted evaluations of props and scenic elements for wear and tear, notating and distributing notes to the necessary departments.
